

# SOLAR POWERED WARNING LIGHTS

Do you have **remote** locations  
That need **hazard warning** lights?

**Inaccessible** sites that make  
**maintenance difficult?**

**\$180 + GST**

**SITES WITHOUT POWER?**

**Are you using battery powered lights**  
**that need constant battery changing**  
**and bulb checking?**

**WE HAVE THE ANSWER.**

Powered free from the SUN, a warning  
beacon that charges its battery by day (even overcast)  
and flashes a warning at night **AUTOMATICALLY.**

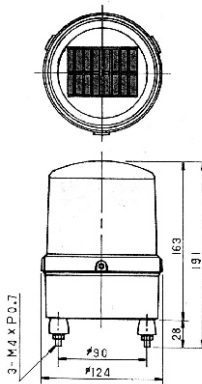

It houses 9 long life Led's (100,000 HRS) and uses a  
fluted lens design to ensure 360° visibility.  
Lens and body are polycarbonate.

The battery used is a reliable Panasonic 1300mah  
rapid charge.

**APPLICATIONS:**

Farms, Aqua farms, Roadworks, Building sites,  
Entrance markers, Camping, Bush paths, Poletops  
Masts, Mining crossroads, Shires, anywhere the  
light is hard to maintain. **UNLIMITED USES.**

IP65, S/STEEL SCREWS, RUBBER FEET.
